# Kolkata Police Constable Important Topics 2024 - Overview

The Kolkata Police Constable selection process consists of several steps in order to guarantee a thorough assessment. A preliminary written test is administered first, acting as a screening exam. You will move on to the Physical Measurement Test (PMT) and the Physical Efficiency Test (PET) if you pass this round. Following your passing these practical tests, you'll move on to the Final Written Exam. After passing the last written exam, candidates would go through an interview process run by the West Bengal Police Recruitment Board. An infographic with a thorough rundown of the preliminary written exam is shown below.
